

Early Connections Impact Statement 2025

Program Feedback

" The Early Connections program helped me build rapport and connection with my kid."

" I learned how to regulate the emotions of my son and how to put in good routines."

" I learned how to deal with my neurodivergent child and how to be able to talk to my husband about parenting, especially because we came from a very different background."

"This program improved my relationships with my son and ex wife."
