

Safe Spaces Impact Statement 2025

2025 Program Goals

- To provide one-to-one service as needed
- To provide weekly group for all 2SLGBTQIAP+ youth (including allies) age 12-26
- To provide 2SLGBTQIAP+ education in the community whenever possible
- To provide gender affirming chest-wear to youth as requested
- To increase facilitation of free workshops/trainings to community groups
- To seek out training and professional development opportunities for staff

Mental Health Concerns within Family

Total	9	9	1	19

Feedback Surveys

Of the completed feedback surveys in 2025, 100% of youth said that the services met their needs and contributed to their personal growth. 100% of youth also reported that staff treated them with respect, and that Safe Spaces services helped improve their relationships, confidence, and awareness of community resources.

What three words describe Safe Spaces from your perspective?

"Cool, Supportive, Welcoming"
"Queer, Food, Awesome"
"Comfortable, Inviting, Cozy"
