

# Kamloops Youth Shelter Impact Statement 2024

Enriching Lives, Strengthening Communities

## Cultural Background

## Trends

The Shelter showed lower number of youth accessing bedspace for the period January - July with a higher percentage of stays over 29 days occurring. August through December showed steady residential access with 13 residential stays, 6 of which lasted 2 weeks or more (with an average of 3 weeks each stay).

## Times Moved in the Past Year
