

# Skill Development Impact Statement 2024

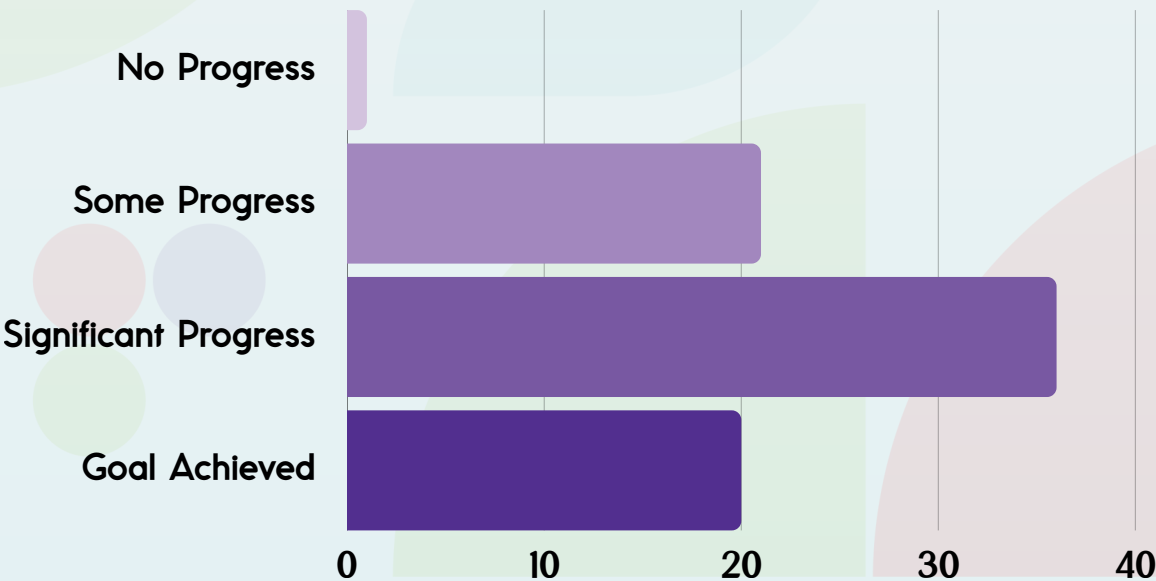

Enriching Lives, Strengthening Communities

## Total Goals by Type

## Total Goal Progress

## Program Commentary

Skill Development Program supported 14 individuals in 2024.

The program appears to have an aging participant population.

Roughly 50/50 male and female participant population.

The program did not see a huge change in participants in the last year.

## Feedback

10 participant feedback forms were submitted. All participants noted that they liked the supports they received and that they would recommend the program to others.

The overall consensus was that participants were happy with the skills and activities they were taking part in.

## Client Comments

One participant stated, "I like my worker because he gets me and is super patient, awesome to be around. If I wasn't a client, I would choose him as a friend. He's that awesome."
