

Crestline House 2024

Enriching Lives, Strengthening Communities

About the Program:

Crestline is a fully supported housing resource that is currently supporting a 25-year-old male with diverse abilities. Our mission and dedication for this individual is to enhance his social and community connections, and overall health and wellbeing.

Practice Principles:

Respect the Individual Autonomy and Choice
Enriching lives through creating experiential opportunities; inclusion, and connections with family, friends and community. Treating people with kindness and dignity
Barrier awareness, removal/reduction

Community Connections:

- Weekly Bottle Depot returns
- Daily walks
- Visits to stores, groceries, locksmith etc.
- Petting Zoo
- Drives including Holiday Light Tour

Successes:

- Weight is now consistently over 100 lbs
- Extensive dental surgery was completed at RIH in January 2024
- Sensory Room additions
- Bi-weekly visits home
- Increased tolerance to changes and more time on person in his space
